God Gives Us Friends

We have begun a new unit titled "God Gives Us Friends" from our Promiseland curriculum. In this unit, the kids are learning about Jesus and his friends and the things they did. Each week they enter into the Kidz Treehouse where Sherry Tree, Birtie Bird and Buddy the Bucket help to provide props and tools that help tell the story, and of course there is always singing and dancing too!

This first week's lesson was "Jesus and His Friends Learn Together." The kids heard the story of Jesus inviting the twelve disciples to leave what they were doing and to follow him. Together they learned about walking a long way, fishing for their food and inviting more people to join them! Each time they "walked" to a new place they found more people to join until there were twelve friends who followed Jesus.

Don't forget about our prayer wall! I'm so excited to report that some of our JAM friends have come up to the KidZone to actually place their requests on the wall, and some we've heard through older brothers and sisters. Please encourage your child(ren) to read through the prayer requests, pray for them, and remember their friends during the week!

Thanks again to all of you for helping to foster a great sense of God and His direction in our lives. Your guidance and assurance to these children and to our leaders is so important, and I'm so thankful to have such amazing children in our classroom. Keep watching the Web site for more lesson reviews and updates on our classroom life!

Take Care and God Bless!
