with your spirit, drawing near us

we'll never be the same **we'll never be the same**

Mighty God **Mighty God**

You are endless in power and mercy

Come so sweetly and completely,
as we seek your face as we seek your face

Reign in our Hearts **Reign in our Hearts**
And restore us, stay before us
To lead us all our days, **To lead us all our days**

Mother's Day Love

I NEED 1 VOLUNTEER

Did you Know?

What was happening in that little game?

Did you know that God wants us to imitate him too?

Let's read

Ephesians 5:1-2

- Ephesians 5:1 says...
- How can we do that?

- Ephesians 5:2 says....
- How can we do that?

What does that have to do with Mother's Day?

- Did you know we can be a fragrant offering to God by how we act towards our Mother?
- What are some ways we can imitate God and be a fragrant offering to him through our Mother?

Your Own Fragrant Offering

Let's make a "fragrant" offering to our mothers. Choose a craft stick and color it green, then choose a paper to make your flower petals, and make your own beautiful flower for a wonderful mother in your life.
